

A diagram consisting of a grid of lines. A vertical line is on the left, and two horizontal lines are spaced apart. A diagonal line slopes downwards from the top-left towards the bottom-right, crossing both horizontal lines. The number '2' is centered in the space between the two horizontal lines.

2

A diagram consisting of a grid of lines. A vertical line is on the left, and a horizontal line is at the top. A diagonal line starts from the top right and goes down to the bottom right. The number '3' is centered in the large rectangular area formed by these lines.
